EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with J. Grant Houston on 10/7/04.

The application has been amended as follows:

In the claims:

Claim 2 (cancelled).

Claim 23 (currently amended): An optical component manipulation system as described in claim 22, wherein the jaw [heating system] heater comprises a laser device that irradiates at least one of the jaws.

2. The following is an examiner's statement of reasons for allowance:

Regarding claims 2-4 and 6-15, the prior art does not teach or suggest an optical component manipulation system having first and second jaws, a first air bearing between the second jaw and a system frame, and a second air bearing between the second jaw and the system frame, in combination with all of the other claim limitations.

Regarding claim 5, the prior art does not teach or suggest an optical component

Art Unit: 3726

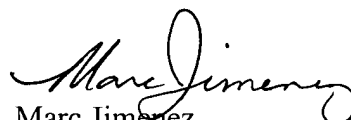

manipulation system having first and second stages, to which jaws, position detection systems, and actuators are attached, wherein each of the stages rides on a system frame on respective first and second air bearings, in combination with all of the other claim limitations.

Regarding claims 17-26, the prior art does not teach or suggest an optical component manipulation system having first and second opposed jaws, a system frame, a first air bearing between the second jaw and the system frame, and a second air bearing between the second jaw and the system frame, in combination with all of the other claim limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Marc Jimenez whose telephone number is (703) 306-5965. The examiner can normally be reached on Monday-Friday between 5:30 a.m.-2:00 p.m..

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Peter Vo can be reached on (703) 308-1789. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
